SERVICING THE AUSTRALIAN DEFENCE FORCE FOR OVER 50 YEARS

Bunzl Safety & Lifting has been supplying world renowned PPE, workwear, lifting, rigging and height safety products and services to the Australian Defence Force in Australia for over 50 years.

We understand the needs of the many different units that make up the ADF are very diverse and ever changing. As technology evolves and new procedures are put in place, we recognise the challenges faced when ensuring staff are wearing the safest workwear and PPE, or maintaining lifting and height safety equipment to meet the highest compliance standards.

SAFETY WORKWEAR, PPE & HEAVY LIFTING EQUIPMENT

We have the experience to supply and advise you on your everyday safe lifting requirements as well as specialist personal protective equipment for hazardous situations and special projects.

TECHNICAL & SAFETY SUPPORT SERVICES

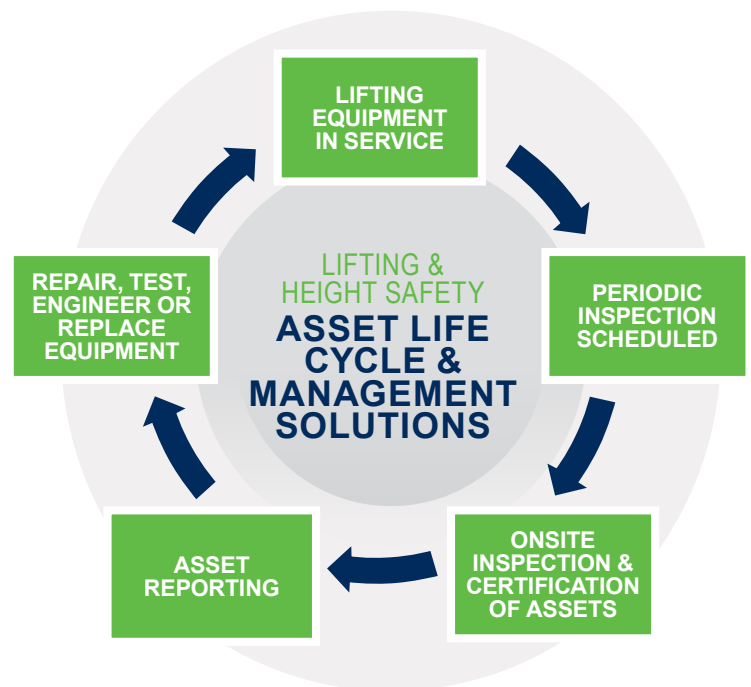

To complement the supply of these quality products, we also offer several associated services including:

- **ON-SITE INSPECTIONS** - and certification of equipment by our LEEA trained inspectors using electronic inspection technology
- **NATA ACCREDITED TESTING** - and repairs in most branches
- **MOBILE TESTING FACILITIES**
- **HEIGHT SAFETY SYSTEMS** - planning, installation and training
- **ELECTRONIC ASSET MANAGEMENT** - of your lifting, rigging and height safety equipment
- **VENDOR MANAGED STOCK** - mobile warehousing, storage and out of service cages and PPE vending machines
- **COMPLETE UNIFORM MANAGEMENT** - including embroidery services, online ordering, and onsite fit-outs
- **FULL E-COMMERCE SOLUTIONS** - from customised online portals to full punchout & EDI capabilities

We work with you to understand your unique site needs and provide a complete safety asset and uniform management solution for your requirements.

This brochure highlights just some of the safety products and services relevant to what the ADF require, that we can offer.
