SERVICING THE TRANSPORT INDUSTRY FOR OVER 50 YEARS

Bunzl Safety & Lifting has been supplying world renowned PPE, workwear, lifting, rigging and height safety products and services to the transport and associated industries in Australia for over 50 years.

We understand the safety needs of those in the transport industry are both unique and diverse, depending on the industries and regions being serviced. As technology evolves and new procedures are put in place, we recognise the challenges faced when ensuring staff are wearing the safest workwear and PPE, or maintaining load restraint, lashing, and site safety equipment to meet compliance standards.

SAFETY WORKWEAR, PPE & HMATERIALS HANDLING EQUIPMENT

We have the experience to supply and advise you on your everyday safe handling requirements as well as specialist personal protective equipment for hazardous situations and special projects.

TECHNICAL & SAFETY SUPPORT SERVICES

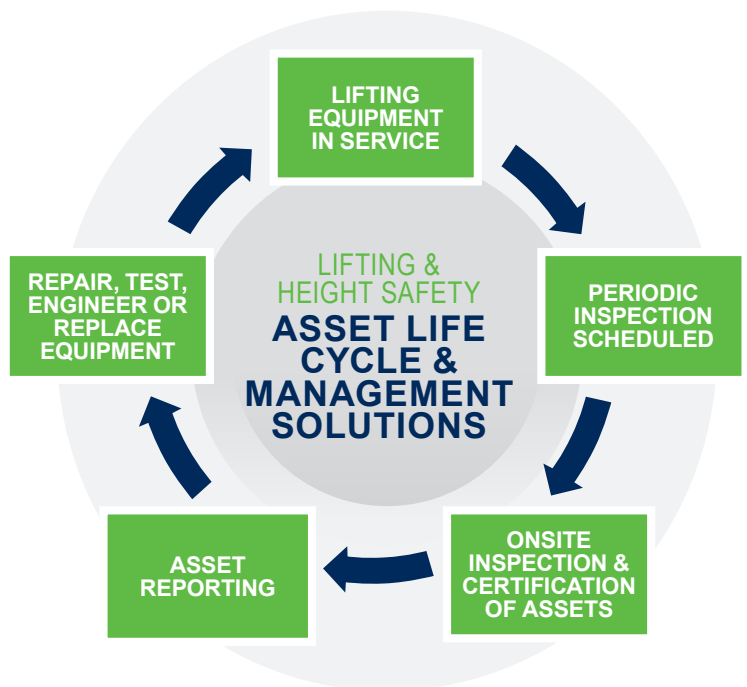

To complement the supply of these quality products, we also offer several associated services including:

- **ON-SITE INSPECTIONS** - and certification of equipment by our LEEA trained inspectors using electronic inspection technology
- **NATA ACCREDITED TESTING** - and repairs in most branches
- **MOBILE TESTING FACILITIES**
- **HEIGHT SAFETY SYSTEMS** - planning, installation and training
- **ELECTRONIC ASSET MANAGEMENT** - of your lifting, rigging and height safety equipment
